Which note is a semitone above A flat?

A

Which note is a semitone below C?

B

Which note is a semitone below C sharp?

C

Which note is a semitone below D?

D flat

Which note is a semitone below D flat?

C

Which note is a semitone below E?

E flat

Which note is a semitone below E flat?

D

Which note is a semitone below G?

G flat

Which note is a semitone below G sharp?

G

Which note is a semitone below A?

A flat

Which note is a semitone below A sharp?

A

Which note is a semitone below B?

B flat

Which note is a semitone below B flat?

A

Which note is a semitone below E flat?

D

Which note is a semitone below A flat?

G

Which note is a semitone below F flat?

E flat

Which note is a semitone above F flat?

F

Which note is a tone above C?

D

Which note is a tone above C sharp?

D sharp

Which note is a tone above D?

E

Which note is a tone above D flat?

E flat

Which note is a tone above E?

F sharp

Which note is a tone above F?

G

Which note is a tone above F sharp?

G sharp

Which note is a tone above G?

A

Which note is a tone above G sharp?

A sharp

Which note is a tone above A?

B

Which note is a tone above A flat?

B flat

Which note is a tone above B?

C sharp

Which note is a tone above B flat?

C

Which note is a tone above E flat?

F

Which note is a tone below C?

B flat

Which note is a tone below C sharp?

B

Which note is a tone below D?

C

Which note is a tone below D sharp?

C sharp

Which note is a tone below E?

D

Which note is a tone below E flat?

D flat

Which note is a tone below G?

F

Which note is a tone below G sharp?

F sharp

Which note is a tone below A?

G

Which note is a tone below A sharp?

G sharp

Which note is a tone below B?

A

Which note is a tone below B flat?

A flat

Which note is a tone below E flat?

D flat

Which note is a tone below A flat?

G flat

Which note is a tone below D flat?

C flat or B

Which note is a tone below G flat?

F flat or E
