Which note is a half step above C?

C sharp

Which note is a half step above C sharp?

D

Which note is a half step above D?

D sharp

Which note is a half step above D sharp?

E

Which note is a half step above E?

F

Which note is a half step above F?

F sharp

Which note is a half step above F sharp?

G

Which note is a half step above G?

G sharp

Which note is a half step above G sharp?

A

Which note is a half step above A?

A sharp

Which note is a half step above B?

C

Which note is a half step above B flat?

B

Which note is a half step above E flat?

E

Which note is a half step above A flat?

A

Which note is a half step below C?

B

Which note is a half step below C sharp?

C

Which note is a half step below D?

D flat

Which note is a half step below D flat?

C

Which note is a half step below E?

E flat

Which note is a half step below E flat?

D

Which note is a half step below G?

G flat

Which note is a half step below G sharp?

G

Which note is a half step below A?

A flat

Which note is a half step below A sharp?

A

Which note is a half step below B?

B flat

Which note is a half step below B flat?

A

Which note is a half step below E flat?

D

Which note is a half step below A flat?

G

Which note is a half step below F flat?

E flat

Which note is a half step above F flat?

F

Which note is a whole step above C?

D

Which note is a whole step above C sharp?

D sharp

Which note is a whole step above D?

E

Which note is a whole step above D flat?

E flat

Which note is a whole step above E?

F sharp

Which note is a whole step above F?

G

Which note is a whole step above F sharp?

G sharp

Which note is a whole step above G?

A

Which note is a whole step above G sharp?

A sharp

Which note is a whole step above A?

B

Which note is a whole step above A flat?

B flat

Which note is a whole step above B?

C sharp

Which note is a whole step above B flat?

C

Which note is a whole step above E flat?

F

Which note is a whole step below C?

B flat

Which note is a whole step below C sharp?

B

Which note is a whole step below D?

C

Which note is a whole step below D sharp?

C sharp

Which note is a whole step below E?

D

Which note is a whole step below E flat?

D flat

Which note is a whole step below
G?

F

Which note is a whole step below
G sharp?

F sharp

Which note is a whole step below
A?

G

Which note is a whole step below A
sharp?

G sharp

Which note is a whole step below
B?

A

Which note is a whole step below B
flat?

A flat

Which note is a whole step below E
flat?
