This is a popular, traditional preschool song which can be sung with the music or unaccompanied. As its is so well known, it is an ideal song to use to start a new class.

* This final verse can be customised to whatever theme you are doing.
 E.g. in the frog lesson: "If you're happy and you know it be a frog..... ribbit ribbit;"
 in the car lesson: "If you're happy and you know it toot your horn..... beep beep" etc.

If you don't have anything else to add, then "happy and you know it blow a kiss" on the last verse is just fine!

You can also use this as an instrument playing tune, by doing

"If you're happy and you know it play your drum": 
 (or tambourine, triangle, or whatever)
