

Everybody Do This

Traditional, author unknown
Arranged by the Fun Music Company 2014

Ev-ery bod-y do this do this, do this, ev-ry bod-y do this just like me.

play your drum*	play your drum	play your drum	play your drum
touch your nose	touch your nose	touch your nose	touch your nose
clap your hands	clap your hands	clap your hands	clap your hands

There are endless variations of this song

Start with doing it unaccompanied, sitting on the floor in a circle with the children. Start with something very simple like 'clap your hands', then move onto instruments

You can even incorporate words from the 'theme of the day', so in Lesson #4 (Cats), you could say:

"Be A Cat, Meow Meow Meow, Be a Cat, Meow Meow Meow"

Use your imagination and have fun with it!
