# The Amazing Musical Instrument Race

## 1. Introduction

Ready Set Race! You'll love the simplicity of this game once you get started. Once you mention the word RACE the race is really on. Your kids will be wanting to call out the answers and it gives you the chance to throw in a few unusual instruments as well. Enjoy the productive problem solving in this one!

## 2. Printing Instructions

First print out the game board and if you wish you can either laminate it or stick onto cardboard or the inside of a manilla folder.

The print out the clue cards. If you can "back" copies on your printer, then print Page 2 on the back of Page 1, page 4 on the back of page 3 etc, or if you cant simply print them on separate pages and glue them together back to back.

## 3. Instructions

Object: To get to the end first.

Preparation: Everyone has a counter ready at the start. Clue cards are placed face up on the game board (as answers are on the back).

Pictures of musical instruments are on the game board which will help children with the answers.

Directions: Each player in turn to read the clue card to another player, and that player works out the appropriate matching instrument to go with the clue. The Reader checks that the answer is correct, and then instructs the player to move ahead the number of spaces suggested on the card. The first player to the end wins.
